NOVOMATIC showcases top performers at Peru Gaming Show

NOVOMATIC is back at the Jockey Plaza Convention Center in Lima on June 21-22 for the 15th edition of the Peru Gaming Show (PGS). With a wide selection of top-performing products in Peru and around Latin America, NOVOMATIC will be on Stand #59 with its gaming highlights that are favourites amongst operators and players in the region.

Making its premiere appearance at PGS this year is the attractive GAMINATOR® Scorpion cabinet that brings leading content to the market in stunning high definition. A series of cabinets will present games from the new Impera Line™ HD Edition 5 such as Amazon's Diamonds™ and Upward™, as well as Coolfire™ II-s Premium Multi-Game Editions with the latest 6-reel, Extra-Bet feature versions of NOVOMATIC blue chip classics Book of Ra™ deluxe and Lucky Lady's Charm™ deluxe.

Another first for the Peruvian gaming show is the GENESIS II cabinet that offers a cost-effective way for operators to present the latest NOVOMATIC content on their gaming floors. This twin screen machine features a wide selection of exciting slot content and will be displayed with titles such as Julie's Journey™, Eternal Elements™, as well as the new Magic 243 Lines™ and Secret of the Ankh™.

Returning to the show is the international hit V.I.P. Lounge™ cabinet that is making a standout impression in Latin America as well as the rest of the world. Another best-seller in the region is the elegant IMPERATOR™ S3 cabinet that will be presented with a range of market-attuned content. Also at PGS will be representatives from Octavian who will demonstrate the latest tools of the ACP casino management system that continues to be deployed in the region.

About NOVOMATIC

The NOVOMATIC Group is one of the biggest international producers and operators of gaming technologies and employs some 24,000 staff worldwide. Founded by entrepreneur Professor Johann F. Graf in 1980, the Group has locations in more than 50 countries and exports high-tech electronic gaming equipment and solutions to 80 countries. The Group operates more than 260,000 gaming terminals in its some 1,800 plus gaming operations as well as via rental concepts.

Through its numerous international subsidiaries, the NOVOMATIC Group is fully active in all segments of the gaming industry and thus offers a diversified Omni-channel product portfolio to its partners and clients around the world. This product range includes land based gaming products and services, management systems and cash management, online/mobile and social gaming solutions as well as lottery and sports betting solutions together with a range of sophisticated ancillary products and services.
