

Something big is coming to Spain: NOVOMATIC launches XTENSION LINK™ Volume 2 at FIJMA

Leading gaming technology Group NOVOMATIC was an exhibitor at the international trade fair FIJMA from May 7-9, 2024, boasting a stand full of innovative products for the Spanish market. The Group's local subsidiary NOVOMATIC Spain launched the brand new XTENSION LINK™ Volume 2, which was the star of the show.

Gumpoldskirchen, May 17, 2024 – The international gaming trade show FIJMA took place from May 7 to 9 at the IFEMA exhibition center in Madrid, bringing together a large number of industry leaders. NOVOMATIC showcased an extensive range of products perfected for the Spanish market.

Something big coming to Spain

NOVOMATIC Spain unveiled the new and enhanced version of the internationally highly acclaimed XTENSION LINK™, namely Volume 2. This arcade game was presented in the high performing BLACK EDITION II 1.49J cabinet and attracted a lot of attention from visitors, especially with its GOLDEN SPINS feature which ultimately increases the player's chances of winning. The XTENSION LINK™ Volume 2 with its ten thrilling titles, Expanding Reels Feature and Free Games takes the player experience to new heights.

“This cabinet is the result of hard and innovative work that has addressed the needs of our distributors and operators in order to offer a versatile and attractive experience for their gaming establishments”, explains Jordi Pedragosa, Commercial Director of NOVOMATIC Spain.

Other new products on display were the ROYAL LINK™, “The Royal Seal for Arcades”, which offers extraordinary quality and excellence for an attractive price, and the NOVO LINE™ POWER LINK™ GOLD, which has come to Spain with a revamped and enlarged collection of games. Within this diverse offer for arcades, more powerful models were showcased, such as IMPERA LINK™ Series 2, CASH CONNECTION™ Fusion, River Queen™ Roulette or CLOVER LINK™ Xtreme, the latter from APEX.

A Plus for the New Hospitality Industry

NOVOMATIC's local subsidiary also presented a wide range of products, exuding a level of freshness and innovation that positively captivated visitors. The section dedicated to the bar segment saw versatility resonating throughout these two new launches: NOVO LINE™ Supra Cash, with its fascinating games library including three roulette titles and IMPERA™ Cash Fusion, where Progressive Jackpot titles are combined with IMPERA™ classics. The second edition of NOVO LINE™ Power Cash was also shown with a series of new titles. All these models were showcased in the Winner HD+ cabinet, an evolution that features the NV22 bill acceptor. The nearly 1,400 m² of floor space tailored to the company stood out for the excellent way in which the company's innovative products were staged and presented. Lighting and other decorative elements, fused with cutting-edge technology, played an important role in capturing the attention of visitors, for whom there were plenty

of gifts and activities to be enjoyed. Of all the stand's events, the one that stood out was the "Beat the Champ" event by Chris Mark, world table soccer champion, with whom guests could battle in an exciting duel.

NOVOMATIC Spain is deeply grateful for the opportunity to attend this year, a sentiment expressed by Bernhard Teuchmann, Managing Director of the Product and Technology Division: "Participating once again in FIJMA has been a unique experience that has given us the opportunity to strengthen relationships with our customers and show our commitment to innovation. Our most sincere thanks go to all those who worked on preparing and attending this event with the same passion and responsibility that form the essence of who we are".

About NOVOMATIC

The NOVOMATIC AG Group is one of the biggest international producers and operators of gaming technologies and employs more than 25,300 staff worldwide. The Group was founded by the industrialist Professor Johann F. Graf in 1980 and has locations in about 50 countries, and exports innovative gaming equipment, system solutions, lottery system solutions and services to more than 120 countries.
